

AODME

Association of Osteopathic Directors and Medical Educators

AODME COMMITTEE INTEREST FORM

The AODME needs you - your ideas, your perspectives, and your dedication to the osteopathic profession. Participate with us on vital committees. The time commitment is minimal, but the benefit is huge not only to AODME, but also to you individually and to the entire osteopathic medical profession. Most meetings take place via teleconference (you just dial an 800 number from wherever you are) and are scheduled at times convenient to the committee membership. Meeting materials – such as agendas, minutes, and discussion or information documents – are sent by e-mail. AODME leadership and staff are committed to the most efficient and effective use of your valuable time.

Sign up for a Committee now – Be part of your society!
