

RESOURCE MANUAL FOR OSTEOPATHIC GRADUATE MEDICAL EDUCATION

INTRODUCTION

The "**Resource Manual for Osteopathic Graduate Medical Education**" has been designed in a "user friendly", electronic format to provide the most current information available. Click on any link in the **Table of Contents** to access website and/or a contact telephone number where additional information may be found. In this age of rapidly changing technology and readily available information, it is suggested that the user checks for the most current information.
